#### 1. Title

The following qualification has been accredited by the regulatory bodies in England, Wales and Northern Ireland (Ofqual, Qualifications Wales and CCEA).

ASDAN Level 1 Certificate of Personal Effectiveness Accreditation Number: 100/3558/8

In England and N. Ireland it appears in the Register of Regulated Qualifications. In Wales it appears in the QiW (Qualifications in Wales) database.

### 2. Location of the qualification within the subject/sector classification system

14.1 Foundations for Learning and Life

#### 3. Total Qualification Time (TQT)

This is comprised of the number of Guided Learning Hours assigned to the qualification, and an estimate of the number of hours a candidate will reasonably be likely to spend in preparation, self-study, research and other independent and unguided learning activities. The TQT allocated takes into account estimates and other relevant information gathered from a reasonable number of centres and third parties.

### Number of Guided Learning Hours assigned 120 hours Total Qualification Time 150 hours

#### 4. Qualification Dates

Operational End Date: 31/12/2025 Certification End Date: 31/12/2027

Candidate registrations may not be accepted by ASDAN after the operational end date for a specific qualification if an extension is not obtained from the regulators. However, certification is allowed until the certification end date so that candidates have time to complete any programme of study. At least six months before the operational end date for a qualification, ASDAN will undertake a review of the qualification. This will be done in collaboration with stakeholders in order to take account of any changes necessary to continue to meet their needs. Once this review process is complete, ASDAN will consider the most appropriate course of action which might include applying to the regulators for an extension to the regulation period, revising or creating a new qualification or withdrawing the qualification. Information relating to changes or extensions to qualifications will be posted on the ASDAN website <a href="https://www.asdan.org.uk">www.asdan.org.uk</a>.

#### 5. Objective of the qualification

The ASDAN Level 1 Certificate of Personal Effectiveness (CoPE) is a substantial and wideranging qualification the purpose of which is to enable candidates to develop and demonstrate a range of personal, key and employability skills, to broaden their experience and manage their learning in a variety of real life contexts. It therefore aims to teach candidates to understand, take responsibility for and learn from rich activities, rather than simply to experience them.

This quantifies and formalises their preparedness to progress into further education, employment, or vocational training and apprenticeships.

#### 6. Staffing requirements

This section is provided to give some guidance on the experience and qualifications needed to deliver and assess these qualifications; it is not however intended to be exhaustive or definitive. Examples of relevant qualifications and occupational backgrounds are given as benchmarks. Other equivalent qualifications or backgrounds may also qualify prospective staff for delivery or assessment roles.

Centres must ensure that they have sufficient numbers of suitably experienced Assessors and Internal Moderators to ensure that qualifications are delivered effectively, and that appropriate judgements are made as to whether evidence being presented is valid, sufficient and reliable.

ASDAN cannot be held responsible for any difficulties that arise in the delivery or assessment process as a result of internal recruitment decisions. Recruitment should be made at the discretion of centres, and centres should be aware that it is their responsibility to ensure that all staff involved in the delivery and assessment of ASDAN qualifications are suitably qualified.

Examples of relevant qualifications: Assessor/Internal Verifier awards

Examples of work experience: Demonstrable experience of knowledge of the subject area.

The ASDAN **Centre Guidance** (Section 2.2, Roles and Responsibilities) outlines the range of functions necessary for candidate achievement, and the expectations for suitable qualifications/experience.

### 8. Structure of the qualification

Candidates must complete all units to achieve the qualification. Candidates who do not achieve the full qualification requirements of 6 units will receive certification for those units which they have successfullly completed.

**Equivalent units** are units within other qualifications that have been judged to be similar enough in content to be counted instead of certain units within the qualification.

**Exemptions** are generally non-credit based units that can allow a candidate to be exempt from certain identified units. Where such opportunities exist, these are noted in the specifications for the unit.

Some of the units have equivalent units or exemptions identified against them. A Centre Claim form and guidance are provided on the website in order to manage credit claims and exemptions.

Evidence to fully meet the CoPE standards is generated by identifying and completing challenges from a selection of modules in the Levels 1 & 2 Personal Effectiveness (AoPE/CoPE) student book or ASDAN Personal Development Programmes student books. Through these challenges candidates need to demonstrate skill development and must complete enough challenges to gain 12 curriculum (ASDAN) credits at Level 1 (requiring approximately 120 hours of work). Opportunities are available to build some credits from Short Courses or other curriculum programmes into CoPE.

Completion of the qualification involves three main strands:

- taking responsibility for planning, organising and carrying out a number of activities, or challenges, and evidencing this work in a portfolio
- developing and evidencing the skills represented by the CoPE assessment units
- completing skill-specific evidence records using ASDAN documentation

To demonstrate working at the appropriate level, candidates are required to use the **mandatory recording documents** provided by ASDAN, which support the consistent production of evidence.

The mandatory **Standards with Guidance** document, which is provided to support centres in the delivery and assessment of the qualification, provides additional guidance on the appropriate type, quality and quantity of evidence required in order for candidates to show they have met the required standard.

The mandatory **Centre Guidance** contains all the information centres need in order to successfully deliver, assess and internally moderate the qualification and submit candidates for certification.

### 9. Prior achievement and recognition of prior learning

There are no specific recommended prior learning requirements for this qualification. This qualification has been developed for candidates aged 14-16 in schools and colleges, but is also accessible to candidates post-16. Centres are responsible for ensuring that this qualification is appropriate for the age and ability of their candidates.

#### Recognition of Prior Learning (RPL)

RPL is where a candidate has achieved something relevant to the qualification without formal recognition such as a certificate. ASDAN has a policy on RPL which allows all claims to be considered on an individual basis.

#### 10. Progression Opportunities

ASDAN CoPE Level 2 ASDAN AoPE Level 2 ASDAN Wider Key Skills Level 2 (Northern Ireland only)

#### 11. Assessment and moderation

Candidates complete a **portfolio of evidence**, generated from appropriate challenges within the Student book and Suggested Problems booklet/s, which demonstrates achievement of all the learning outcomes and assessment criteria associated with each unit. This is internally assessed by centre assessors against the unit assessment criteria. Assessors need to ensure that there is explicit evidence in the portfolio to show that the candidate has met the required standard.

There is a mandatory **Assessment Checklist** provided for each unit (see example below). These can be downloaded from the ASDAN website and must be completed by the assessor when the candidate completes each unit. Each Assessment Checklist must be signed by the candidate, assessor and internal moderator to authenticate the work, and added to each candidate's portfolio of evidence.

**Internal moderation** is undertaken by the centre, following their own sampling strategy. The internal moderator provides the vital link between the assessors and the external moderator, and acts as the centre's quality assurance representative.

**External moderation** is carried out by ASDAN's External Moderators who look at the quality and compare the standards of a sample of candidates' work to ensure that national standards are being met, monitor assessment practice and, where problems are identified, take action to ensure that assessment conforms to national standards.

### 12. Assessment language

ASDAN qualifications are published and assessed in English only.
